

### Remembering St George's Bristol

After you have made provision for those you care about, a gift to St George's Bristol (charity number 295178) can make a huge difference to our future work. It is easy to include a gift to St George's in your Will: you simply need to tell your solicitor the proportion you wish to give (for example, residuary or pecuniary); or, if you have already made a Will, ask your solicitor about adding a Codicil to your existing Will.

We recommend you consult your solicitor before making any changes to your Will. Please see our website for further guidance on the process, or request further information by returning the completed form below, and a member of the Development Team will be in touch.

### The Harry Edwards Circle

The Harry Edwards Circle is our way of marking the generosity and lasting impact enabled by those who acknowledge St George's in a final bequest. Created in honour of our founding chairman, Harry Edwards, we are immensely grateful to those that pledge their support of our organisation and choose to remember St George's in their Will.

It was Harry's own passion for St George's that saw the birth of the St George's Music Trust (now St George's Bristol) and it was under his leadership that the hall flourished. Harry died in 1995 but through gifts he bequeathed to St George's in his estate, his enthusiasm for the venue and love of music lives on, enriching our outstanding artistic and learning programmes and helping to safeguard our beautiful building.
