

## Remembering St George's Bristol

After you have made provision for those you care about, a gift to St George's Bristol (charity number 295178) can make a huge difference to our future work.

It is easy to include a gift to St George's in your Will: you simply need to tell your solicitor the proportion you wish to give (for example, residuary or pecuniary); or, if you have already made a Will, ask your solicitor about adding a Codicil to your existing Will.

We recommend you consult your solicitor before making any changes to your Will. Please see our website for further guidance on the process, or request further information by returning the completed form below, and a member of the Development Team will be in touch.
